

Financial Obligations: It is your responsibility to support FUMC Preschool and Childcare by meeting any financial obligations. We must operate on a budget, pay bills and pay salaries. When you enroll your child, you are making a promise to uphold a portion of that budget, whether your child is sick, on vacation or never misses a day. We cannot operate financially otherwise. It is hoped that a clear understanding of this at the beginning will prevent later problems or misunderstandings.

A schedule of payments follows. Payments will be made for two weeks at a time on the Friday prior to the two weeks of care. Children will not be accepted on the Monday following scheduled payments without financial obligations being met. Delays also means efforts may be made to fill your child's place.

Late payments will incur a \$20/day late fee unless prior arrangements are made. Returned checks for insufficient funds will incur a charge of \$20. In the event a parent/guardian, FOR ANY REASON, withdraws a child there will be no refund of tuition or registration paid.

CIRCLE WHICH OPTION YOU WILL BE PAYING:

Age	Required Non Refundable Registration Fee	Required Tuition at Time of Registration	Time of Attendance	Days Per Year	Cost per week
